ALD Business Platform Duyurusu
ABA-Invest in Austria Virtual Open Day on 28 May
8.30 am - 4.30 p.m. (CET)

Dear Business Partners, Friends of Austria,

I hope you are well in these very unusual times? We would like to inform you about a virtual meeting with the **Austrian Business Agency ABA** to receive information about Business opportunities in Austria.

“ABA-Invest in Austria Virtual Open Day on 28 May”

Every crisis also opens up opportunities e.g. to revise your current strategy and to develop a new one - and time to consider new markets to expand to. Austria stands out in Europe as a highly developed business location and has weathered the crisis well so far.

At our **Virtual Open Day ABA-Invest in Austria** will first give you a good overview of business conditions in Austria and explain why the business location is a good match for your company in achieving its long-term goals. After the sessions, **ABA-Invest in Austria** together with external experts will offer you the opportunity for 1:1 virtual appointments.

You find more information about the speakers and the agenda as well as the **possibility to register** here: <https://open-day.investinaustria.at/>

We are looking forward to “meeting” you at the “**Virtual Open Day ABA-Invest in Austria**”

Best regards,

Georg Karabaczek / Avusturya Ticaret Müsteşarı
